Seamlessly integrated solutions spanning the entire motor claim lifecycle and encompassing vehicle repair, mobility and legal services. Configured on both a modular and fully-outsourced basis dependent on the partners' requirements, avoiding complex multi-supplier management arrangements.

Credit Hire/Repair

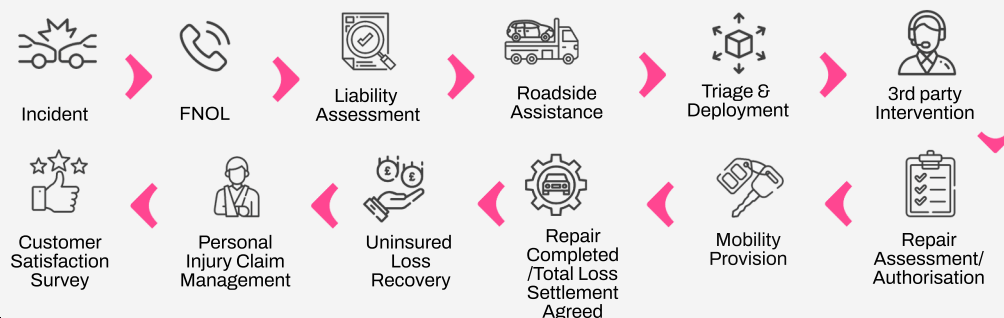

- Like-for-like replacement vehicle provided in event of a non-fault road-traffic accident
- Credit hire / repair agreement arranged with the customer directly, providing services on a credit basis
- All credit hire / repair charges recovered from the at fault party's insurer directly, in accordance with all regulatory requirements

Direct Hire/Repair

- Hire vehicle provided for duration of vehicle repair where customer subscribes to an upgraded courtesy car policy
- Vehicle repair at customer's own insurer's cost, on agreed contract-level cost structure
- Excess assistance available through an excess protection policy in the event of a fault incident

Claims Management

FNOL – First Notification Of Loss initial claims report defines claims journey & liability for costs.

Strong focus on cost transparency and mitigation, to minimise claim duration and indemnity spend
